ANNOUNCING THE IMPLEMENTATION OF OUR CURBSIDE RECYCLING PROGRAM

WHEN: STARTING JULY 1, 2010

WHERE: CURBSIDE ON YOUR REGULAR COLLECTION DAY EVERY OTHER WEEK

Sandia Heights Services is pleased to announce the implementation of our curbside recycling program! In an effort to “Go Green” and reduce the amount of trash in our landfills, we will begin our curbside recycling program on July 1, 2010. Participation will be available to all residents at no extra charge. The success of the pilot program has allowed our company to implement recycling as part of our normal solid waste collection services. You need only place your recyclables in clear or other plastic bags clearly marked for recycling, plastic grocery store bags or in a recycle bin by the curbside along with your regular waste by 7 AM on your regular collection day every other week (see the recycle calendar posted on our website).
