

# Great Repurposing Ideas That Will Save You \$

## 1) Cereal Liner Bags

- Make a piping bag for frosting. Rinse and dry the bag, then scoop frosting into one of the bottom corners. Snip the corner off with a pair of scissors, then pipe!

## 2) Mesh Vegetable Bags

- Use it as a scrubber for cleaning jobs around the house. Wad it up and use it to scrub dishes, countertops, etc.!

## 3) Butter Wrappers

- Use individual butter wrappers to separate burger patties in your fridge or freezer. They won't stick to the patties, and you'll save space in your fridge!

## 4) Glass Jars

- Use an empty jar to make a beautiful water candle. These will look great around the house, or as decor for your dinner table!

## 5) Egg Cartons

- Egg cartons can be used to organize small items. Use one for jewelry, beads, office supplies, buttons, nuts and bolts, and more!
